The Kimberley Riverside Campground is owned by the City of Kimberley, but is operated by the Kimberley Community Development Society as a non-profit organization. Nestled in the pristine St. Mary river valley, the campground offers incredible scenery, quiet & relaxing surroundings and endless opportunities for all to enjoy. The Campground currently has over 140 sites with full or partial services, drive-in or pull-through sites and a variety of tenting options.

Campground Rules and Policies:

- 1) **QUIET TIME** is from 11:00pm to 8:00am – please respect your fellow campers.
- 2) **PETS** – Please clean up after your pets and please keep them on a leash at all times.
- 3) **GARBAGE** – DO NOT LEAVE ANY GARBAGE, OR FOOD WASTE IN THE FIREPITS or you will attract both “small and large” critters to the campground! Garbage dumpsters are located throughout the campground.
- 4) **RECYCLING** – Help protect our environment and please make the effort to recycle. Recycling bins for "pop & juice containers, beer & wine bottles, cardboard, and plastic" are located beside all garbage dumpsters.
- 5) **KEEP IT CLEAN** – we take pride in keeping our campground and washrooms clean for our guests to enjoy – please also respect these facilities during your stay.
- 6) **CHECK OUT TIME** – is no later than 11:00am; please let the office know when you depart.

Campground Amenities and Attractions:

- 1) At the bottom level of the campground, over looking the St. Mary River, there is a park and picnic area with a picnic shelter, children's playground, bocce and horseshoe pits, a basketball net, sand volleyball court, and a 12 hole disc golf course. Equipment can be picked up in the office.
- 2) Located in the office is a convenience store, which sells food, snacks, beverages, ice, firewood and various camping supplies. Ask our friendly office staff about Kimberley's local events, activities, and recreation opportunities.
- 3) Our resort pool is located beside the office. Please read "pool rules" before entering.
- 4) Located adjacent to the Campground is the Kimberley Nature Park. The park offers endless trails for walking, hiking or biking. There are also many beautiful walking trails throughout the campground.
- 5) The St. Mary River offers great fly fishing opportunities (catch and release only).
- 6) River rafting trips can be booked for your group and run daily -enquire at office for more details.
- 7) Our **Laundry facility** is located at the main office.

Important Tips About Your Campsite:

- 1) **POWER** – If you find that your power terminal has no power, please switch the black breakers to the “ON POSITION”. These breakers are located just above the plug in terminal. Please DO NOT TAMPER with any other part of power terminal.
- 2) **WATER** – There are water yard hydrants located at each site. Please ensure that they are fully turned on when in use, and fully turned off when not in use. This prevents damage to the hydrant. The water on site is treated city water, and is safe to drink. If the water should ever appear dirty, let it run for a few seconds to refresh the water supply.
- 3) **FIREPITS** – Please use for FIRES ONLY – DO NOT PUT GARBAGE IN FIREPITS!
- 4) **TENTING** - Grey water or “dish water” should be disposed of by pouring into designated sani-holes or in the sinks provided at the laundry facility.
- 5) **FOOD** – Please ensure food & cooking utensils are stored in your RV or Vehicle overnight.
